

# SPREADING GOODNESS AND HAPPINESS IN THE WORLD

Join us in celebrating **Global Green Light Day!**

*Green Light*® is the language of possibility. It is how we think, speak, and ACT to make good things happen. It is a conscious choice, it requires ACTION – **Green action.**

Aim for the *Green Light* goal. Create the greatest good for the most people, in the best way, for the longest time.

**Thank You for your Greenness!**
